SeniorCare Companions CORONAVIRUS CARE PLAN (CCP)

During these difficult times we understand that now more than ever how vital it is to keep you and your loved ones safe. We'd love to be part of supporting you in this endeavor. In doing so we have developed a new Coronavirus Care Plan or the (CCP) package that includes 24/7 one-on-one personalized care with one of our wonderful companions to help minimize risk of exposure.

As we fully understand how important it is to mitigate further spread of the virus, SeniorCare Companions takes full precautions including, but not limited to, sanitization precautions and we even provide our caregivers with Personal Protective Equipment or (PPE). We follow all Centers for Disease Control and Prevention (CDC) and the New York State Department of Health (NYSDOH) guidelines. Our companions have been trained in universal precautions and are equipped and are aware of not only hand washing, but proper sanitization across a broad spectrum of personal care needs. We are closely following the developments of the pandemic and are continuously updating our protocols according to the most recent CDC recommendations and government guidelines.

Details of the Coronavirus Care Plan Package Include:

- + One Dedicated Companion To Reduce Risk of Exposure
- + 24/7 One on One Personalized Care
 - + Alzheimer's & Dementia Care
- + Grocery Shopping, Prescription Pick-Ups, Doctor Visits & More
 - + Housekeeping with an Emphasis on disinfectant cleaning
- + Our Companions Will Monitor You or Your Loved One's Health and Report Any Notable Changes
- + Meal Preparation & Medication Reminders
 - + Bathing and Toileting Supervision
- + Personal Hygiene, Dressing & Grooming
 - + And More

Please join us in the fight against Coronavirus to help keep our loved ones safe and together we will come out of this stronger and more resilient.
